

We Didn't Come This Far to Fail.

Get your COVID vaccine as soon as you can and stay up to date with your vaccines.

Vaccines offer you the best protection from COVID.

Both vaccinated and unvaccinated people should wear a well-fitting mask inside public places when the COVID risk to your community is high. Learn more at cdc.gov/coronavirus.

You can also protect yourself by:

- Keeping at least 6 feet away from people who don't live with you.
- Avoiding crowds and poorly ventilated spaces.
- Washing your hands often with soap and water or using hand sanitizer.

You have three ways to find vaccines near you:

- **Go to vaccines.gov**
- **Text your ZIP code to 438829**
- **Call 1-800-232-0233**
